

GOODRIDE®
PERFORMANCE TYRES

GOODRIDE TYRES.

THE SIMPLE CHOICE.

We produce a wide range of quality car, high-performance, 4x4 & SUV, van and taxi tyres, designed and priced with reliability and value in mind.

Ask your tyre fitter for more information or visit goodridetyres.co.uk

PASSENGER CAR TYRES.

SV308

Premium performance tyre.

Silica

Mileage

Directional

Wet Traction

- The SV308 uses an all season silica base compound for improving wet and dry traction without sacrificing treadwear
- Rim Protector protects the wheel rim and provides superior handling control and enhanced cornering

- Circumferential V-groove promotes proper water drainage without impacting cornering grip
- Solid centre rib provides stable cornering and outstanding wet traction during cornering

RP28

A comfortable ride premium tyre.

Silent

Comfortable

Braking

Efficiency

- Computer Aided Design tread offers low noise and excellent water drainage
- Silica Tech compound technology ensures low rolling resistance and reduces fuel expenditure

- Improved shoulder sipes provide better handling during cornering

HIGH PERFORMANCE CAR TYRES.

SA07

Premium performance tyre for ultra-high performance vehicles.

- Silica Tech adopted for low rolling resistance and precise control
- Four wide circumferential grooves ensure quick and efficient water evacuation for enhanced wet traction

- The Rim Protector protects the wheel rim and provides superior handling control and enhanced cornering

SA37

New generation of asymmetric ultra high performance tyre for summer.

- Silica Tech compound helps to enhance wet grip providing shorter braking distance

- A strong centre rib guarantees excellent handling on both wet and dry roads and on-centre feel

SUV & 4X4 TYRES.

SU318

All terrain tyre for SUV & 4x4 vehicles.

- Ideal H/T tyre integrates outstanding on-road comfort and wet traction safety as a whole
- Four longitudinal grooves combined with wide sipes ensure excellent water evacuation and wet traction performance
- Silica Tech adopted for better wet grip as well as low rolling resistance
- Reconstructed steel bead wire improves driving comfort effectively

SL369

Reliable SUV & 4x4 tyre for on and off road use.

- Wide tread and multi-stepped grooves increase surface area tread to enhance traction both on and off-roads
- Zigzag grooves offer efficient water drainage and enhanced traction on wet roads
- Large tread blocks help enhanced stability and handling with less noise on motorways
- Aggressive sidewall protectors increase off road bite and prevent damage from sidewall cuts and abrasions

VAN TYRES.

SC328

Quality reliable van tyre.

- Four wide ribs improve miles to tread life
- Zigzag grooves offer enhanced traction on wet roads
- Construction of polyester casing and steel belts provides outstanding durability

SC301

Durable van tyre for heavy loads.

- Double-ply casing construction handles heavy loads with superior durability
- Heavy duty steel piles deliver handling stability and puncture resistance
- Tread pattern creates self supporting independent tread blocks for even wearing

TAXI TYRES.

GOODRIDE TYRES.
THE SIMPLE CHOICE.

SC328 TAXI

Quality reliable taxi tyre
for black cabs.

Efficiency

Mileage

Silica

Wet Traction

- Four wide ribs improve miles to tread life
- Zigzag grooves offer enhanced traction on wet roads
- Construction of polyester casing and steel belts provides outstanding durability
